26 – 30 March
2015

Do something.
Be important.

BUSINESS HIVE 2015 is an international crowdsourcing competition that equips participants with unique international business experience. This competition will give you practical knowledge of how teams in companies organize, innovate, create and work together. It will offer you a unique opportunity to find out what you are really capable of, what are your strengths and weaknesses. Think big and challenge yourself!

Students from different countries, different studying fields and the positive energy will lead you to work in teams and complete a challenge for an actual company. May the best team win!

**DO SOMETHING.
BE IMPORTANT.**

Time and location: Ljubljana, Slovenia from March 26th to 30th

Website: www.business-hive.com

Facebook: www.facebook.com/businessshiveslo

You can apply on our website where you can also find detailed information about the project. Looking forward seeing your unique application! However, hurry up - there are only 27 places available and limited Early bird offers!

The only remaining question is:
Are you going to stay at home, miss out this opportunity and regret your decision?
Or you will apply for **Business Hive 2015** and be awesome instead?
