

## **INFO DAYS AT FAMNIT, UNIVERSITY OF PRIMORSKA IN KOPER, SLOVENIA**

Are you thinking about studying Mathematics, Mathematics in Economics and Finance, Computer Science, Bioinformatics, Conservation Biology, Biopsychology or Agronomy?

Join our **INFO DAYS on Friday and Saturday, 16–17 February 2024**, which will be held live and via ZOOM. A detailed event schedule and ZOOM links are available here:

<https://www.famnit.upr.si/en/education/promotional%20events>

**Some general presentations and presentations of study programmes will be held in Slovene, however, for study programmes that are also implemented in English, presentations will be held in English via ZOOM as well (17 February, 15:00–16:30).** Besides that, **online presentations of the application and enrolment procedures will be held in English** (17 February, 14:00–15:00 and 27 February, 16:00–17:00).

Everything international students need to know can be found here: <https://welcome.upr.si/en/>

There are no tuition fees for full-time undergraduate and master study programs for students from EU and from Bosnia and Herzegovina, Kosovo, Montenegro, Republic of North Macedonia and Serbia. Furthermore, University of Primorska is the only Slovene university offering scholarships to talented students.
