

## Job Placement Event

### “Job Opportunities at CGG”

AREA Science Park  
Congress Centre (C1 Building- Meeting room)  
Padriciano 99, Trieste

1<sup>st</sup> October 2013  
11 am – 5 pm

**The event, promoted by Welcome Office FVG, will see the presentation of the company CGG and their current job opportunities.**

CGG is a fully integrated Geoscience company providing leading geological, geophysical and reservoir capabilities to its broad base of customers primarily from the global oil and gas industry.

The agenda is as follows:

11 am – 12 pm CGG Company Presentation (by a geophysicist working for the company)  
12 pm – 1 pm Networking lunch  
1 pm – 5 pm Mock interviews (30 minutes each)

CGG is now **looking for graduates** in the following subjects:

**Graduate Geophysicist:** Bachelor’s degree or higher in Geophysics, Mathematics, Physics, Electrical Engineering or other technical related degree.

**Graduate Research Geophysicist:** Master’s degree or higher in Geophysics, Mathematics, Physics or other technical related Master’s.

**Software Developer:** Master’s degree or higher in Computer Science, or other technical related degree with strong programming skills.

**Geoscientist:** Bachelor’s degree or higher in Geology related subject or Geophysics.

**During the meeting there will be also the possibility to have a mock interview with the company.**

These will be held in English (with no translation in Italian).

**To participate** please send an e-mail with your full name, telephone number, email address, institution and degree title to [uk.recruitment@cgg.com](mailto:uk.recruitment@cgg.com) and in cc [mobility@area.trieste.it](mailto:mobility@area.trieste.it). If you would like to apply for a mock interview, please attach your CV in the email.

**Deadline for registering is 20<sup>th</sup> September 2013.**
